# Jacobs, McCoy are recognized

Appomattox County High School has been notified that two of its students have been designated Commended Students in the 1984 National Merit Scholarship Program.

Donald L. Armentrout, principal, announced today that Cecil Jacobs and Mike McCoy placed in the top five percent of over one million participants in the twenty-ninth annual Merit Program. Although Commended Students will not receive further consideration for Merit Scholarships, each has demonstrated unusual academic promise and will be honored with a Letter of Commendation.

An officer of National Merit Scholarship Corporation (NMSC), which administers the program, stated that, "The outstanding test performance of each Commended Student in the highly competitive Merit Program is an attainment deserving of recognition. In a nation that places great value on the education of its young people, it is important to honor academically talented students and to acknowledge the part that schools play in the development of their abilities. We sincerely hope that their attainments thus far will encourage these young men and women to take advantage of their opportunities for higher education and to acquire the skills they will need to become productive adults and contributing citizens in a free society."

All participants in the current Merit Scholarship competition entered by taking the PSAT/NMSQT in the fall of 1982. Although the scores of the 35,000 Commended Students designated throughout the 50 States were very high, they were slightly below the level required for Semifinalist standing. Only the 15,000 Semifinalists who were announced by NMSC on September 14 will have an opportunity to continue in the competition for some 5,300 Merit Scholarships to be awarded next spring.

Cecil Lee Jacobs, son of Mr. William D. Jacobs, of Appomattox has maintained an excellent scholastic record and has been very active in extracurricular involvements at ACHS. Presently he serves as vice-president of the local FFA Chapter, as program manager and photographer on the newspaper staff and has been active in the Drama Club as technical director. He serves as president of the National Honor Society and participates in the Program for the Gifted and Talented students. Cecil is planning to pursue a career in computer science.

Michael Anthony McCoy, son of Mr. and Mrs. Edward McCoy, Sr. of Appomattox, has the distinction of being named a semi-finalist in the Outstanding Negro Scholarship Program as well as commended student in the overall National Merit Scholarship Program. In addition to his achievement at ACHS, Mike attended the '83 Virginia Governor's School for the Gifted at Virginia Tech and the MITE, an engineering program for minority students at Georgia Institute of Technology in Atlanta, Georgia this summer. Mike is planning to pursue a career in engineering.

# Local organization plans 'trauma-help' workshop

The Appomattox County Multidisciplne Team for Child Welfare has planned a workshop, Meeting Life's Traumas, to be held on Oct. 25 in Memorial United Methodist Church from 9:30 a.m. until 12:30 p.m. This workshop will provide information related to assisting persons of all ages, with emphasis on school-age children, to deal with non-anticipated events.

It is recognized that problems facing children are numerous and becoming more serious. Recognizing that many children face the separation of parents, death of loved ones, change in social or financial situation and other traumatic experiences, the committee has planned a meeting devoted to this specific topic.
